

JobBOSS Indianapolis User Group Meeting
October 12, 2005
9 AM – 12 PM

Our first meeting took place at Lees Inn in Shelbyville, IN. There were 12 total attendees with 6 companies being represented. Our special guest was Rachel Hallman, JobBOSS Gold Key Consultant

Introductions were made and included information about current JobBOSS modules being used by each company. Several companies in attendance were fairly new users.

After a brief discussion about the recent Engage 2005 User Conference in Chicago, Rachel presented some useful Tips and Tricks. She also pointed out helpful areas on the Customer Portal and answered several questions from the group.

Following Rachel's presentation, the group discussed dates, locations and agendas for future meetings. Our next meeting is planned for Wednesday, January 11, 2006 from 9am to 12pm and will be held in Shelbyville (exact location TBA).
